Leaders who inspire us....

The founder had a chance reading of Mahakavi Bharathiyar's poem on Saraswathi Pooja when he was a young boy studying in the 7th standard. That was the spark that led to the great organisation that Sevalaya is today. The theme of the poem is that just uttering some mantras, keeping books in front of the goddess' picture and offering sandal and flowers is not real Saraswathi Pooja. Rather opening schools in areas where there are none and ensuring that every town has access to education is the true form of worship. Educating one poor child is holier than constructing a thousand annadhana (free feeding) centres and ten thousand Temples. Hence the school which offers quality education free of cost to poor, destitute children.

The study then extended to Swami Vivekananda and Mahatma Gandhi who along with Mahakavi Bharathiyar became the inspiration for the ideals, goals and activities of Sevalaya.

Swami Vivekananda says that if someone is hungry, then food is the only God for that person. Even if a dog goes without food in this world, then there is no point in having any religion. Such powerful thoughts are the basis for the Swami Vivekananda Hostel in Sevalaya. As Vivek means "wisdom" we have also named our library Swami Vivekananda Library.

Gandhiji says that India lives in its villages, and the real service to India is service in villages.

The common thread in the philosophy of these three great men is 'service to the needy'

Message

Dear Shri Muralidharan,

Very glad to know that Sevalaya is stepping into the Silver jubilee year of its existence. Such occasions are worthy of celebration. But, that real objective behind Such celebration is to once again renew our pledge to serve the downtrodden and Underprivileged to the best of our abilities keeping in view Swami Vivekananda's famous Word "they alone live who live for others, the rest are more dead than alive". Sevalaya's Growth during the past 24 years has been remarkable. Their work is truly praiseworthy and that is how they qualified for our Swami Vivekananda Award. The friends and devotees who attended the function were all praise for your activities.

Our prayers to Sri Sri Thakur, Ma and Swamiji that they give you strength and courage to march ahead with your noble resolve.

Yours in service,

(Swami Shantatmananda)

Message

Sevalaya is a standing example of what one man's dedication and commitment can do to help the needy, of course, with the help of likeminded people. In the early years of Sevalaya I had heard about the service being rendered by the organization but only last year I had the God-sent opportunity to visit and see personally the various kind of activities that have been undertaken- providing a home for orphaned children, offering free education for hundreds of Children, taking care of the aged. For such work to go on for quarter of a century without break is no easy task; everyone connected with Sevalaya should be concerned about their responsibilities every waking moment.

I have no words to say in appreciation of your service beyond praying to God to give to Mr. Muralidharan, his family and everyone engaged in the service activities of Sevalaya health, Strength and a continuous flow of funds for many more years.

Since 2010 we are extremely happy to be involved with the Sevalaya. The organization is very well managed and thoughtful in its execution. We have experienced that the Students and the elderly are well cared for. Thank you to the administration and to Mr. & Mrs. Murali for their commitment to the poor.

My dear Sevalaya team, hi kids!

It has been almost half a year since I had the honor of witnessing the amazing work that Sevalaya does year after year. Not only did I experience Sevalaya, I was also allowed to be an active participant in its projects. Here I was Able to see how a development project, run only by natives, can make a great contribution to all. The kids, who I was in daily contact with, were able to receive education that is so direly needed in order for them to live a good life in the future. Thanks to Sevalaya hundreds of Children are given a future every year. I am thankful for that. But Sevalaya is not only serving the children, it is serving everyone who is in need. Here I am not only thinking of the animals that are hosted on the farm or the elderly, for whom Sevalaya is giving a roof above their head and things to do; I am also thinking of people like me, Westerners, who from the perspective many Indians have everything. But the love, the attention and the incredible experience that Sevalaya allowed me to have, is a treasure that only few people are able to hold, I have, and speaking from my experience, I am sure that Sevalaya will continue to serve all people for another 25 years!

Greeting from Amsterdam to one of the warmest places in the world!

"If I look back at my past, I just wonder how I completed my school education with ease in a very tough financial situation of my family. It is Sevalaya which has made my life fruitful in all means. I completed 10 standard in Sevalaya in 2000, still I feel am a student of Sevalaya.

My acquaintance with Sevalaya as student and now as a trustee has seen several changes over the years. When my father passed away, I was 10 years old and my studies became question mark. It is Sevalaya which sheltered me with hostel facility; provided free education and made me to complete my school and college! Now I hold an MCA degree and am working in a leading software company.

The values that I learnt here have made me successful in life!!

சேவைக்கு ஒரு ஆலயம் சேவாலயா அனைவருக்கும் வணக்கம். என் பெயர் பி.மகாலட்சுமி. நான் சிறுவயதில் இருந்து சேவாலயாவில் வளர்ந்து வருகிறேன். எனக்கு அம்மா, அப்பா அனைத்தும் எனக்கு சேவாலயாதான். நான் 12 ஆம் வகுப்பு வரை படித்தேன். சேவாலயாவில் பிறகு மேலும் படிக்க ஆசைப்பட்டேன். ஆகையால் திண்டுக்கல் காந்திகிராமத்தில் டி.எச்.எ. எனும் மேல் படிப்பு படித்தேன்.

பின்பு, எனக்கு ராஜா என்பவரை பிடித்ததால் அனைவரின் விருப்பத்தோடு சேவாலயா வளாகத்தில் திருமணம் செய்து வைத்தனர். நான் இப்பொழுது மிகவும் சந்தோஷமாக இருக்கிறேன். எனக்கு மிகவும் படிப்புக்கு, வாழ்க்கைக்கு அனைத்து வகையான உதவியும் செய்தனர். எனக்கு ஆசைப்பட்ட எல்லாப் பொருளும், துணியும் அது மட்டும் இல்லாமல் எனக்கு பிடித்த வாழ்க்கையும் அமைத்து கொடுத்த சேவாலயாவின் குடும்பத்தினர் அனைவரையும், என் உயிர் உள்ளவரை மறக்க மாட்டேன்.

இப்படி எனக்கு உதவி செய்த சேவாலயாவிற்கு என்னால் முடிந்த வரை உதவி செய்வேன் என்பதை நான் தெரிவித்து கொள்கிறேன். என்னை போன்ற மாணவ, மாணவிகள் இங்கு படித்து வருகிறார்கள். அவர்களுக்கு மிக நன்றாக உதவிகள் செய்து வருகின்றனர். மேலும், மேலும் சேவாலயா இன்னும் வளர்ச்சி அடைய வேண்டும் என்று கடவுளிடம் வேண்டிக்கொள்கிறேன்.

நான் என் பெற்றோரிடம் இருந்து வளர்ந்து வந்திருந்தால் கூட இந்த அளவிற்கு எனக்கு செய்து இருப்பார்கள் என்று சொல்லமுடியாது. ஆனால் சேவாலயாவை நம்பி வந்தவர்களை சேவாலயா குடும்பத்தினர் வளர வைப்பார்கள் என்றும் வாழ வைப்பார்கள் என்று நான் மிகவும் உறுதியாக கூறுகிறேன். உண்மை, உழைப்பு, சேவை, அன்பு, பண்பு, பாசம் அனைத்தும் கலந்தது தான் நம் "சேவாலயா".....

கல்வியின் வேர்கள் கசப்பானவை! அதன் கனிகள் மிகவும் இனிப்பானவை!!

செய்தி!

என் பெயர் சீனிவாசன். என் அம்மா பெயர் கிரிஜா என் தந்தை நான் சிறியவனாக இருக்கும் போதே என் அம்மாவை விட்டு ஓடிவிட்டார். என் அம்மாவிற்கு மொத்தம் மூன்று குழந்தைகள் அதில் நான்தான் மூத்தவன் என் அம்மாவால் அந்த நிலையில் என்ன செய்வது என்று தெரியவில்லை. அதனால் அவர்கள் தற்கொலை செய்ய முயற்சி செய்தனர். அப்பொழுது பக்கத்து வீட்டுகாரர்கள் என் அம்மாவை தடுத்து "அருணோதயா" என்ற நிறுவனத்தைப்பற்றி சொன்னார்கள். அந்த நிறுவனத்தின் மூலம் தான் நான் சேவாலயாவில் 1995-ல் சேர்ந்தேன். நான் இதை நிறுவனம் என்று அழைக்கமாட்டேன். ஏன் என்றால் இந்த நிறுவனத்தின் தலைவர் திரு.முரளிதரன் அவர்களை அண்ணா என்று தான் அழைப்பார்கள் அதனால் சேவாலயா என்ற நிறுவனத்தை என் குடும்பம் என்றுதான் அழைப்பேன்.

நான் இந்த குடும்பத்தில் சேரும் போது முதல் வகுப்பு படித்தேன். தற்போது B.Sc. Computer Science படித்து உள்ளேன். நான் முதல் வகுப்பு படித்தது முதல் பட்ட படிப்பு முடித்தது வரை ஒரு ரூபாய் கூட கொடுத்தது இல்லை. ஒரு மாணவன் முதல் வகுப்பு சேர்ந்தது முதல் பட்ட படிப்பு முடிக்கும் வரை அனைத்து செலவுகளையும் இலவசமாக செய்யும் ஒரே நிறுவனம் இது தான்.

இங்கு மாணவர்களுக்கு படிப்பு மட்டும் சொல்லி தருவது இல்லை. காந்தி, பாரதியார், விவேகானந்தர் போன்ற தலைவர்களின் கொள்கைகளை சொல்லித் தருகின்றனர். அது மட்டும் இல்லாமல் Spoken English மற்றும் Hindi போன்ற மொழிகளையும் சொல்லி கொடுகின்றனர்.

நான் 3rd year படிக்கும் போது DELL company-ல் இருந்து Interview வந்தது. அதில் நான் தேர்ச்சி அடைந்தேன் அதற்கு முக்கிய காரணம் நான் இங்கு கற்ற Spoken English தான்.

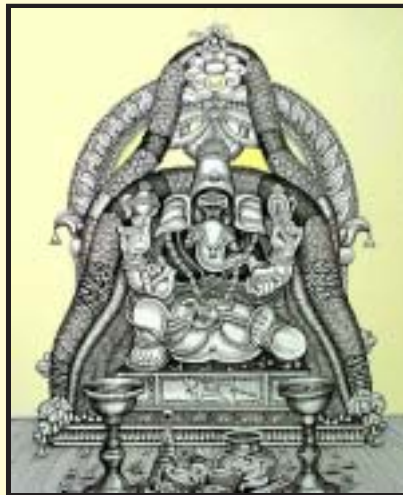

நான் Interview-ல் தேர்ச்சி அடைந்த போது என்னை விட மிகவும் மகிழ்ச்சி அடைந்தது இந்த நிறுவனத்தின் தலைவர் எங்கள் அண்ணா முரளிதரன் தான். நான் சேவாலயாவில் இருந்த 15 வருடங்கள் எப்படி கடந்தது என்றே தெரியவில்லை. இப்போதுதான் வந்து சேர்ந்தது போல் உள்ளது.

தற்போது என்னுடைய குடும்பத்தை நான் தான் பார்த்துக் கொள்கிறேன். நான் இந்த நிலைக்கு உருவானதற்கு முக்கிய காரணம் சேவாலயா என்று தான் அடித்து சொல்வேன். இந்த நிறுவனம் இல்லை என்றால் நான் முதல் வகுப்பு கூட படித்து இருக்க மாட்டேன்.

நான் என்னால் முடிந்த வரை இந்த நிறுவனத்தின் சேவைகளை சொல்லி, இந்த நிறுவனத்திற்கு தேவையான உதவிகளை செய்வேன்.

அது மட்டும் இன்றி நான் என்னுடைய வருமானத்தில் இருந்து மாதம் 500/- ரூபாய் தர முடிவு செய்து உள்ளேன்.

என் உயிர் இருக்கும் வரை சேவாலயாவை மறக்க மாட்டேன்!!

S.Santhakumar,

Thiruvannamalai.

Hello,

My name is S.Santhakumar. I belong to Thiruvannamalai. My family is very poor. There was no money to even study in a Govt. school. With great difficulty I somehow managed to pass my 10th Std. Then I came to Sevalaya through some friends. Sevalaya was ready to help poor students like me. I joined in Std. XI and got through my XII with good marks. Sevalaya also helped me to graduate in Maths. Now I am well employed with Reliance Communication. Many of my friends are also doing well thanks to Sevalaya's timely help. I am able to support my family. I take this opportunity to thank Sevalaya, its management all the staff members and pray that the services offered by this organisation may keep growing in future.

U.Radha,

Chennai.

Hi!

This is U.Radha. I am an old student of Sevalaya . I am proud about that. Now I am doing my final year political science in Presidency College. First I thank Sevalaya for giving me this opportunity to write because it helps me to recollect my sweet memories in Sevalaya. Sevalaya is my foster mother, I am happy that I studied in Sevalaya. Without Sevalaya I can't be here. It gives good life and good status in this society. I joined Sevalaya when I was 10 years old. From the age of 10 to 17 Sevalaya took care of my studies, health, provided me psychological support and opportunities for extra curricular activities.

When I was in Sevalaya I didn't feel homesick any time because they took care of me better than my parents. They helped me overcome my stage fear, negative thoughts. I learnt Hindi, Music, Spoken English, and personality development. **"No one can beat the service of Sevalaya"** . They taught me about life from the experience of elders at Ramakrishna old age home. I have lot of friends in Ramakrishna old age home. They are my grandmas and grandpas. Surely I want to tell about Murali Anna and Bhuvana Akka, who are the founder and Hony. Correspondent of Sevalaya. They are very polite, kind and sweet too...I like them and love them a lot; I learnt a lot of things from them. Next my school teachers, I had great teachers; they are not only teachers but my friends too...Now also I share my all happenings in my life with them. Love u teachers. I have got a lot of friends in Sevalaya and still I have contact with them. I will not forget my Sevalaya till the end of my life. Love u Murali Anna and Bhuvana Akka.

"LOVE U SEVALAYA"

B.Rajeshwari,

Near Thiruninravur.

Hi!

I am B. Rajeswari. I joined Sevalaya when I was 11 years old. I fully utilized all the opportunities given by Sevalaya and did well not only in academics but also in various extracurricular activities which moulded my personality. I stood school first in my 10th std board exams and after graduating from QMC in the department of Chemistry I wished to pursue my masters but my family's financial situation was not conducive for this. So I did my B.Ed. and to my great joy I got the opportunity of working in the same school which had moulded me. Further Sevalaya is also helping me to realise my dream by helping me to pursue my masters through distance education. Whatever I am today, is all due to Sevalaya.

என் பெயர் சித்ரா. நான் சேவாலயாவில் படித்த முன்னாள் மாணவி. நானும் என் தங்கைகள் இருவரும் 1997 ஆம் ஆண்டு சேவாலயாவில் வந்து சேர்ந்தோம். ஏனென்றால் என் தந்தை இறந்துவிட்டார். அதனால் எங்கள் அம்மா எங்களைப் படிக்க வைக்க மிகவும் கஷ்டப்பட்டார்கள். சேவாலயாவில் நாங்கள் நன்றாகப் படித்தோம். சேவாலயாவில் எல்லாக் குழந்தைகளுக்கும் படிப்பு மட்டும் தராமல் உண்ண உணவு, உடுத்த உடை, தங்கும் இடம் மற்றும் பிற திறமைகள் வளரவும் பயிற்சி அளித்தனர். நான் சேவாலயா நடத்தும் மகாகவி பாரதியார் மேல்நிலைப் பள்ளியில் +2 வரை படித்தேன். பள்ளியில் பத்தாம் வகுப்பு மற்றும் பன்னிரெண்டாம் வகுப்பில் முறையே 461 மற்றும் 1100 மதிப்பெண்கள் பெற்று முதலாம் மாணவியானேன். இந்த மதிப்பெண்கள் பெற என்னை என் ஆசிரியர்கள் ஊக்குவித்தனர்.

நான் இப்போது அண்ணா பல்கலைக்கழகம் - திருச்சியில் உயிர்தொழில்நுட்பவியலில் நான்காமாண்டு படித்துக்கொண்டிருக்கிறேன். இந்த உயிர்தொழில்நுட்பப் படிப்பிற்காக சேவாலயாவில் இருந்து கட்டணம் கொடுத்துப் படிக்கவைக்கிறார்கள். அது மட்டுமல்லாமல் பள்ளியில் அதிக மதிப்பெண் எடுக்கும் அனைத்து மாணவர்களுக்கும் நிதியுதவி கொடுத்துப் படிக்க வைக்கிறார்கள். அதேபோல் என் தங்கை நீலா முதலாமாண்டு படிப்பிற்காக கல்லூரி கட்டணத்தைக் கொடுத்து உதவினார்கள். நாங்கள் படிப்பு முடிந்ததும் எங்களாலான உதவியை சேவாலயா நிறுவனத்திற்குச் செய்வோம்.

Sevalaya, Adyar-based NKG, has proved yet again that if proper facilities are given, orphan, destitute and poor children can do well in studies.

Sevalaya's Mahabharathi Bhattacharjee School that provides free education to such deprived students, has secured 100 per cent pass in the recent Plus Two examination. The results for which were announced this week.

"All of the 317 students who ap-

peared for this year's exams have passed," said a beaming V. Marudharam, the Managing Trustee of Sevalaya.

"They are all orphan, destitute or poor children and first generation school-goers. As many as 21 students have scored above 1000 out of 1200," he said.

S. Praveen Kumar, the topper of the school who scored 1086 out of 1200, is the son of a car driver. His mother is a housewife.

G. Jothi Lakshmi, the second ranker of the school, has scored 1064 out of 1200. Her father is a welder and mother, an uneducated daily wage earner.

J. Jansi, the third rank holder in the school, has scored 1071 marks out of 1200. His father is unemployed and mother is a construction worker.

D. Aravind, the joint third ranker, has also scored 1071 marks out of 1200. His father is a

welder and mother is a housewife.

"It is only because of the dedication of the teachers and other staff members, who realise that they are not working for mere salary and their main job is to help the poor, we are able to achieve such a result. The management wants to thank all staff members and donors who have made this happen," Mr. Marudharam said.

Rural toppers owe it to their school

Despite all odds, these students from a Tiruvallur village have made it to the top in the Class 10 exams

by Sangeetha Srinivas

Chennai: They worked in the fields, tended cows post school hours and walked miles to reach school.

These students from the rural backyard of Tiruvallur district, who scored high in the class 10 exams, are shining examples of

to them. "Unlike city kids, children from rural areas, who go to schools have lot of other responsibilities such as helping parents at home. Everyday, before I go home after the school, I go to pick jasmine flowers till about 10 pm. I wake up at 4 am and read till 6 am. If not for the care and at-

what opportunity and the right environment can do.

These students of Sevalaya's Mahabharathi Bhattacharjee Higher Secondary school at Kanava village in Tiruvallur district owe their success to their class teacher.

Most L. Ganesh Kumar, who scored 450 marks in the class 10 exam, is the son of a brick kiln worker.

tion given by the teachers of our school, this would not have been possible."

The teachers and the management of the school, not only made sure that the children scored well, but also inspired them to do so.

G. Riji, who scored 440 marks, didn't have it easy. Every day before and after school hours, he

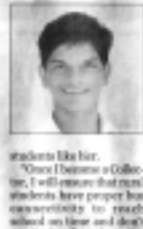

takes care of the three cows his family owns. "I will have to find them, clean them and also take them out for grazing. Other than that, I also help my mother in the fields. Since we do not have a motorcycle at home to study, our school ensured that we finish the day's lesson by organising special classes for one hour before and after school and also on weekends."

all three boys aspire to become software engineers.

However, V. Prathiba, the lone girl in the toppers' list, wants to become a Collector and help rural

students like her.

"Once I become a Collector, I will ensure that rural students have proper access to electricity to reach school on time and don't get tired walking long distances. I will ensure better power supply also," she says.

Her dreams are motivated by her reality, as every day she walks 10 kilometres to school. She starts at 6 am to reach school at 7 am, so that she doesn't miss the school bus.

Manoharan, Founder and Managing Trustee of Sevalaya Trust, which runs the school, says, "When we started this school in 1995,

Class 10 toppers of Sevalaya's Mahabharathi Bhattacharjee Higher Secondary school at Kanava village in Tiruvallur

both in classes 10 and 11.

At present, the headmistress of the school, has earlier worked in Citi bank, but has now taken up the mission of teaching rural kids.

She says, "Unlike city kids, these underprivileged rural children do not have proper environment at home to study. At our school, we make sure to provide them that. In 10 years of experience in teaching these kids, who have understood that teachers are really in love with them, the kids are also ready to learn. Our school children are motivated by the fact that given the right environment, regardless of their socio-economic background, they will do well."

Managing Trustee's Report

Dear Friends,

It is a great feeling to start the 25th year. Sevalaya stepped into its silver jubilee year on 29th May, 2012. From 5 children and two staff in 1988 to 1633 children, 65 senior citizens, 40 cows and 112 staff members today, it has been a long journey!

In the 24th year, we added one more centre at Aayalur village in Thiruvallur district. We also moved our city office from Adyar to Thiruvanmiyur, to a more spacious office. The Kasuva centre and the Vadanallur centre have been functioning and expanding as usual.

We completed the construction of the new girls' hostel and moved all the girls to this new facility which is built as per the new JJ act norms. We converted the old girls hostel into third school building. The capacity of our first building was 1000 and as we had more demand, last year we expanded the capacity to 1500 by constructing the second school building. Now with the second building also getting full, we have added the 3rd building which has a capacity of another 500, taking the total capacity to 2000. A dining hall which can accommodate 600 people and a new kitchen are under construction now. Currently we have girls, boys and senior citizens dining halls separately and still the capacity is not enough. With the new dining hall, all residents can sit together and have food. The current dining hall at the children's home will become a part of the third school building and the one at the Old Age Home will be a common hall for the elderly. More lands were also bought and organic farming and training sessions on the same are being conducted in Kasuva village.

There were many inspections and audits by Government and donor agencies and we got the school recognitions renewed, financial

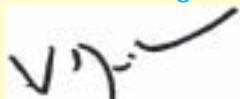

statements submitted to authorities and listing and accreditation with donor agencies renewed. As usual Sevalaya won many awards this year also. Sevalaya children won an international award for propagating organic farming, national award for cartoons, many other awards for sports and cultural activities.

This year also our 10th and 12th grade students got 100% results. Many training programmes were arranged for the staff to improve their teaching skills. The training programmes covered many areas like educational institution management, teaching of various subjects, making classes interesting, different teaching methods etc. All these helped us to retain the 100% results and also made the classes more interesting for the students.

Mr. K.C.Prembabu of Tata consultancy Services has joined as a new Trustee.

We thank all our donors, supporters, well wishers, Government officials both at district level and state level, all visitors, volunteers both domestic and international, other charities, network of charitable organizations – all of you supported us in our journey and only with your support we are stepping into our silver jubilee year.

Thanks & Regards

(V.Muralidharan)

Name of the organisation

'Sevalaya' means 'Temple of Service'. Swami Vivekananda calls the poor man as 'Dharidranarayana'. Service done to poor and destitute is actually the prayers offered to the God. Bharathiyar also says that he who can't bear the sufferings of others is a 'punniya murthy' (blessed soul). As all our service activities are meant for such poor, destitute people, the place is named as 'Sevalaya'.

Vision and Mission

The underlying philosophy behind our vision and mission published elsewhere in this issue are as follows:-

Vision:

Based on Swami Vivekananda's teaching that by helping others we are only serving ourselves and it is only the giver who is blessed. Our vision statement captures this succinctly.

Mission:

The basic tenets of our mission, based on the teachings of our inspirers Mahatma Gandhi, Swami Vivekananda and Mahakavi Bharathiyar are:

- ❧ Providing quality education to the poor and destitute
- ❧ Providing food, shelter and support to the needy
- ❧ Rural uplift

Symbol of the organisation

The Symbol shows that someone is watering a plant. Who is watering is a non-issue. Any seed sown in the land needs conducive environment to grow. On the other hand, the tree is already hidden inside the seed. The environment is not creating the tree. The environment is only helping the tree, which is already inside the seed, to come out and grow. Swami Vivekananda has said that education should bring out the divinity, which is already in man. Such an education is man making and character building education. However, he also says that we can't even teach an ant. Hence at Sevalaya, we believe that we are only providing conducive atmosphere for the children to grow, so that whatever is hidden inside the seed, will come out and grow.

Slogan

'Love all Serve all' is our slogan. We have to serve whoever is in need of our service, irrespective of which caste, religion or country he or she belongs to. Also the service should be done with love, remembering that we should thank that person for giving us an opportunity to serve.

On the envelope

All Sevalaya envelopes carry the following Quote from Swami Vivekananda. 'The first of everything goes to the poor; we have a right only to what remains'. We keep hearing sayings like 'Charity begins at home' and 'whatever is left over after we satisfy our needs, can be used for Charity'. But Swami Vivekananda says that first do charity and whatever is left over can be used for self. If Charity begins at home, most likely, it will end at home also. If we can provide for charity only after satisfying our needs, it is like taking bath in the sea after the waves stop, because our needs will always expand to match our increased income.

The visiting card

The visiting card of Sevalaya carries the colour photo of the Trinity of Sevalaya viz Mahatma Gandhi, Mahakavi Bharathi and Swami Vivekananda on the face just to ensure that the card not only serves as a visiting card but also carries the message of the three great men.

Prayer at Breakfast/Lunch and Dinner time

பகுத்துண்டு பல்லுயிர் ஒம்புதல் நாலோர்
தொகுத்தவற்றுள் எல்லாம் தலை.

It means that sharing and eating what you have is the highest form of virtue. Donors who come and celebrate their birthdays, wedding days and observe memory days of their family elders sponsor many of the meal to children at Sevalaya. Our children pray for them before the meal and thank them for sharing and eating what they have, an exhibition of highest form of virtue.

Invocation song

In all Sevalaya functions, our children sing 'Achamillai, Achamillai' (No fear, No fear), a song composed by Bharathi. Bhagavad Gita says that fearlessness is one of the virtues one should possess. To emphasise this fact, we sing 'Achamillai' as our invocation song.

Three Cardinal Principles

As you enter Sevalaya, you will notice 'the writing on the gate' - 'Please shed all your preferences / prejudices, if any, based on caste, creed, colour, religion, language, sex, nationality etc., before entering'. This is one of our basic principles at Sevalaya. We welcome all, whoever needs our service, or whoever wants to serve, irrespective of whatever 'group' they may belong to.

All our services are rendered free of cost. We will not collect any fee from anyone. Our school is free, we give uniforms, books, notebooks etc, free to all children studying in our school. Even pick-up and drop is arranged free for small children coming from outside. Our medical centre and library are all free for all the villagers. The old age home is also free and the residents need not pay anything. We do this because we are serving that section of the society, which cannot afford to pay for anything.

We are giving continuous training to our staff to treat our children and senior citizens with love and affection. Any sort of physical punishment is banned in our school. Serving these children and the senior citizens is the very purpose of our organisation.

OBJECTIVES OF THE ORGANISATION

1. To provide love and affection in addition to food, clothing and shelter to children till they are able to stand on their own legs.
2. To provide them value based education that should ultimately teach them to live happily and peacefully.
3. To take care of the health and hygiene of the children.
4. To take care of the uplift of the rural areas surrounding Sevalaya in the matters of literacy, education, health care, civic awareness, gender equality, attitude building etc.,
5. Acquiring and developing adequate space with a salubrious climate and pleasant environment conducive to the physical, mental and spiritual development of the children.
6. Inducting right type of workers, training and motivating them for a service oriented lifetime career for the organization.
7. Through a continuous process of public relation activities, create a general awareness of the aims and activities of the organization so as to gain moral support and the much needed resources.
8. Bringing in the concept of professional management to ensure maximum utilization of human and material resources.
9. To achieve total self-reliance.

VALUES WE ARE KEEN TO IMPART:

1. Orientation to the Teachings of Mahatma Gandhi, Swami Vivekananda and Mahakavi Bharathiya
2. Love of all human beings without prejudices based on caste, colour, religion, language, gender, nationality etc.,
3. Spirit of Service and sharing.
4. Patriotism.
5. To have an aim in life and to develop the attitude and skills to pursue it.
6. Confidence to achieve one's objectives and attitude to adopt only the right means towards ends.
7. Courage to do whatever one wants to do and the clarity to know what one wants.
8. Courage to face and handle any situation in life.
9. To bring to play one's potential to the fullest extent.
10. Involvement and dedication to any task undertaken.
11. A sense of discipline.
12. Attuning with the Universal Energy through Prayer.

Integrated Campus

A new concept of integrated campus has been implemented under which 25 destitute children and 25 destitute senior citizens are housed in the same building.

Geographic Coverage

The organization functions in a hamlet, Kasuva near Thiruninravur 40 km west of Chennai. This village which is the centre of our operations has undergone marked transformation in many fields in recent years through Sevalaya's service activities.

The first satellite centre of the organisation now functions at Vadanallur village in Uthiramerur in Kanchipuram district, where the village people have started benefitting from the vocational training classes being conducted in computers and tailoring.

The second satellite centre is now functioning at Aayalur village, Thiruvallur District. In this centre free tailoring training is provided to the rural women .

City Office

Sevalaya has a city office at Thiruvannamipur.

Governance

Sevalaya Board consists of socially minded professionals with key competencies like child care, education, counselling, moral education, information Technology, finance control etc. They are required to have faith in the values of Gandhiji, Bharathiyar and Vivekananda. Each trustee is in charge of some specific areas and makes weekly visits to monitor the respective areas, and present their reports in the management committee meeting. They fully involve themselves in the annual strategic planning and monthly review. They also monitor the record keeping, facilitating accurate and prompt submission of statutory returns. The trustees do not receive any remuneration including conveyance, sitting charges or whatever.

Within the overall mission and vision, the organisation is divided into 3 functional and 2 supportive units. The 3 functional units are:

1. Bharathi Team – includes primary school, high school, higher secondary school and library.
2. Gandhi Team – includes village development activities craft centre, agriculture and goshala.
3. Vivekananda Team – includes old age home, boys' hostel, girls' hostel, Integrated campus and medical centre.

These functional units are supported ably by Public Relations and Administration units.

Annual Strategy Meetings

One of the unique features of Sevalaya in the annual strategy meeting held every year before the start of the new academic session. As early as January all the residents of Sevalaya's Old age home , Children's homes, students in our school, staff working in the various units of Sevalaya are asked to write briefly what they think Sevalaya did well in the current year, what could have been done better and what they feel should be done in the coming year. The Managing Trustee then

consolidates these ideas which are then discussed in the annual strategy meeting. The staff & management zero in on the main points and the list of goals for the new year is prepared. It is split up according to the areas where it will be put into action and all the staff then prepare the lists of things they will be doing that year based on the areas they work in. Based on this an annual calendar is prepared, which breaks up the activities day wise. This make each employee of Sevalaya take up their own responsibilities and be more conscious of the work they have to do instead of work being thrust on them by someone. This makes everyone a partner in the progress of Sevalaya as a whole.

Every month in the meeting of the Managing committee where the trustees and the unit leaders participate, the activities and results achieved are reviewed. An "Action items" list is drawn up which is pursued till the action is completed.

The organization publishes a monthly Newsletter and an annual report which includes the audited Accounts, circulated to all donors and well wishers. The report is put on the website also (www.sevalaya.org)

In formulating Sevalaya's annual plans, the organisation gets written feedback from all the stakeholders including children, senior citizens, staff, trustees, and select donors. All visitors to Sevalaya are requested to give their feedback in the prescribed form.

HR

The consistent and unqualified success of the organisation is, without a doubt, due to the dedication of the entire staff who give their all with 'service' as their watchword. The organisation recognises this selfless service attitude of the staff, with suitable programs. The staff are trained on an on-going basis in academic and personality development areas to ensure their skills remain up-to-date. They are also encouraged to pursue

higher studies and several staff members have availed and are availing this service for various courses (see the chart published elsewhere). Although as a voluntary organization, we are exempted from contributing to Provident Fund, we as a welfare measure, have taken up a Group Superannuation policy covering all employees completing one year of Service. Besides this we have covered the life risk of our employees under a group term policy.

Volunteers

The staff of Sevalaya is well supported by a team of volunteers who come to our organisation and share their time, energy and creativity expecting nothing in return but the pleasure of having done the right thing. There are foreign volunteers, including gap-year students, who come and stay for a period of 2-3 months and work on specific programs. There are also volunteers who come as and when time permits and help out in any area that the staff needs them to. Corporate employees typically come on weekends to take 'fun' classes for the students. Many colleges like Anna university, IIT Chennai, Presidency College, New College, Soka Ikeda College, etc come on NSS Camps for a week and take up various activities. Social Work students come on their academic project work and spend couple of months.

Donors

Sevalaya today runs completely on donations made by well wishers and does not receive any government grant. These donations which form the life blood of the organisation could range from a small one-time amount by an individual to large amounts given regularly by funding foundations. The donor could be anyone from a local person who lives a couple of streets away to a foundation based in USA or Europe which has heard of and probably even seen the good work that is being done and the growth achieved by Sevalaya consistently year after year. The organisation, on its part, extends its policy of non-discrimination to its donors too. Every donor, small or big, one-time or regular holds the same place in the eyes of Sevalaya,

which ensures that any and all communication regarding the activities, successes, financial status and plans of the organisation are sent to each and every donor to keep them apprised and to ensure transparency. Hence, as a policy, we do not publish a "Major Donors List."

FUTURE PLANS

The success of Sevalaya in Kasuva village has caught the attention of many people from other parts of the country and many are asking the question why not replicate Sevalaya in other locations. Last year we started an unit in Vadanallur village, near Uttiramerur, Kanchvaram district. This unit has been functioning well. Now this year we have added one more centre in Aayalur village.

Also it has been our long time goal to start a free University for the benefit of orphan, destitute and poor children.
